THE PASTOR'S PEN

Faithful People of Saint Thomas More,

We are one month away from our annual auction, held in Flanagan Hall. Along with funds raised to help subsidize our parish's school, our Fund-a-Need this year invests dollars into new playground equipment and grounds. This focus came from last year's accreditation, which noted that an update to the playground footprint would be a worthy investment. Donations can be made directly for the Fund-a-Need project... or, join us for the evening of dinner, dancing and a live and silent auction. For details, see ST-MAUCTION.ORG.

Next Friday we have our first Fresh Fire night of 2025. I hope many are able to join us for this monthly offering of Eucharistic Adoration, paired with healing prayer, praise and worship music, and lay witness testimony to the power of the Eucharist.

Our Christmas Season continues through next weekend, so let us continue to enjoy the stories and songs proclaiming the birth of Jesus, so that we might carry this Good News into our world!

Father Justin

P.S. Next weekend is an annual second collection for the Home Missions, which benefits about 40% of the dioceses in our nation, designated as mission territories due to a lack of resources within their boundaries. Our own diocese is not a missionary diocese, but two of the four Missouri dioceses are. Thank you for your support!

Eucharistic Exposition at STM

Sundays, Noon-9pm in the Church

Regular time spent with the Lord in Adoration can be life changing! First Sundays, Noon-1pm, has music.

Be real with yourself. Holy hours are great, but if you don't have that much time, or if you aren't used to spending that long of a time in prayer, you might need to build up to it. Start with attending for fifteen minutes at a time. The quality of time you spend with our Lord and the frequency of times are often more meaningful than the length.

Retrouvaille Weekend for Couples

January 27-29, 2023, Kansas City

Not willing to let go of your marriage? Many couples continue to struggle in a marriage, but are not willing to give up on each other. There is hope.

Retrouvaille is a program designed to help struggling marriages regain their health. It helps a husband and a wife rediscover or re-awaken the love, trust and commitment that originally brought them together. The program is highly successful in saving hurting marriages, even bringing reconciliation to couples who have already separated or divorced. It is a peer ministry of volunteer couples that can help you learn the tools of healthy communication, build intimacy and heal, just as they have done in their own marriages.

For more information, visit helpourmarriage.com or call 800-470-2230.

Relational Integrity through
the Broken Body of Christ

How does Jesus transform our brokenness

We can begin by applying His mercy to the ways we fail to love well: our sexual sin, sins against us, giving too much, or withholding ourselves altogether. We will seek wholeness through honest admission of our brokenness. This confidential, in-depth prayer/healing group is for men and women, marrieds, and singles.

Topics we will explore include:

Discovering the Father's love as
the foundation for all our loves

Integrating the good fits of our
gender and sexuality

Overcoming habitual sin through
the help of Christ's members

Receiving healing from sexual
abuse and distortions

Doing our part to prepare a
pure Bride for Jesus

Sunday Q&A

Your Faith in Focus

STORY TIME IS BIBLE TIME

How can we get our children to hear Scripture?

Reading the Bible can be challenging, even for adults, but the key is to establish the habit of reading it in childhood. Today, Lisa Bromschwig offers strategies that set the stage for the Word to be heard and enjoyed from an early age.

It's Not Impossible

The Bible is God's love letter to us. Its captivating stories, worthwhile events, and interesting people will capture children's attention. Catholic parents understandably want their children to enjoy Scripture to learn about salvation and what it means to them. Rooted in Scripture, your children's faith will flourish. Their prayers will become more fruitful, they will be able to enter more deeply into the Mass, and they will be drawn to obey God's will.

The Power of a Story

Encouraging kids to engage with the Word of God can be challenging for parents. Children's energy levels can make it difficult for them to listen for long periods. However, using the power of storytelling can help capture their attention.

According to Donald Miller, "The average person spends thirty percent of their time daydreaming. But when you put them in a movie theater, they stop daydreaming for the next ninety minutes. The movie does the daydreaming for them." When you use the power of a story—like those you will share with them in the Bible—their brains are wired to stop daydreaming and listen.

While getting kids to read Scripture can be challenging, do it! Reading Scripture to children frequently can provide them with a solid foundation rooted in the unchanging truth of God's Word, helping them navigate the world's competing messages.
