

Fall 2022

Dear STM Parishioner,

I have learned a lot over these past two years: Zoom tricks, patience with myself and others, and a renewed appreciation of my community. Saint Thomas More was able to take some of this time of “pandemic reflection” to and focus on keeping us together while we are apart and to create new opportunities through the challenges, and this is all thanks to you.

Saint Thomas More completed several capital projects in 2020. All areas of our campus were touched - from the parish office and rectory to the church and the school. Many of these projects you are not able to see - HVAC, sewer pipes, etc. – which are vital to the health of STM. We were also able to complete projects you can see: new LED lights in the parish office as well as in the school gym. Thank you for your commitment to allow these to happen.

Stewardship is an opportunity to give back, a transformation of the heart, a part of our vocation, a covenant between God and us, and finally, it is giving lovingly to others through time, talent and treasure, what God has given to us. As we enter the season of giving thanks, please take a moment to reflect on your life and say thank you to God for the blessings He has given you.

It is that time of year when we ask you to renew your commitment and pledge for the next calendar year that we may be good stewards of the gifts of the community and budget for the coming year.

Enclosed you will find your Annual Stewardship Commitment form with information on tithing and volunteering your time and talents. We ask that you return your pledge form to Mass on **Commitment Weekend, November 13 & 14** and place it in the collection basket.

Please feel free to contact me at 816-942-2492 x218 or tim@stmkc.com if you have any questions or concerns.

Thank you for the work you do for Saint Thomas More.

Tim Waris
Business Manager
